Brian H. Morse **Owner**

Brian Morse is the owner of Advanced Surveying Technology. Mr. Morse started his CAD career in the mid 80's using AutoCAD and DCA Civil Engineering Software to do surveying and engineering projects. Later, Mr. Morse joined Softdesk, Inc. to provide tech support, documentation and software testing during his 6 years at the company. Following Softdesk, Mr. Morse ventured into the reseller channel working for Avatech Solutions for 4 years as an Applications Engineer responsible for training and consulting to Surveyors and Civil Engineers. Mr. Morse launched his own consulting business in 2003, www.BrianMorse.com providing training, tech support, consulting, and contract CAD work for Surveyors and Engineers using Autodesk Software. BrianMorse.com, LLC is still active today. In 2007 Mr. Morse acquired Advanced Surveying Technology (www.asti-fl.com), an Authorized Autodesk Software Reseller and an Authorized Carlson Software Reseller. Advanced Surveying Technology has served the Surveying and Civil Engineering community exceptionally well for over 18 years by its founder Cesar Bradham. Now Advanced Surveying Technology (AST) has been greatly improved
